

Greetings! This year we will celebrate Sukkot once again in Coffeeville, MS. Registration is open to any like-minded believers who want to celebrate the Feast. There is no fee for attendance, but offerings are accepted. All meals will be provided and are scripturally clean. If you have a special needs diet, you may wish to bring food or contact us ahead to see if arrangements can be made. No biblically unclean item allowed. No tobacco products or illegal drug use on property. There is no mask mandate nor vaccination requirement for attendance. Most there will not have been vaccinated. Thank you. Preregistration is Mandatory.

We will celebrate the feast according to the traditional Jewish Calendar. This is not an endorsement of this calendar, but a time of gathering together during the same time period as other brethren. We will celebrate Sukkot beginning at Sundown on Sunday, October 9, 2022, and we will celebrate until the end of The Eighth Day at Sunset on Monday, October 17, 2022. We will break camp after breakfast on Tuesday, October 18, 2022. You are welcome to come on Friday, October 7 to set up early and celebrate Sabbath with us on Saturday, October 8. We share a meal together after service on Shabbat and meals will provided for Saturday night and Sunday. Prior meals will not be provided.

Registration is free, camping is free, all meals are free; donations greatly appreciated; all checks can be made to Choose Life Congregation. PREREGISTRATION IS MANDATORY so we can ensure adequate supplies for meals and classes. Attendance is not mandatory for all events. Please let us know what events you can attend or wish to be included, and what meals you will be eating with us. (Special diets or allergies may require you to bring your own items or food to meet such needs. All food will be biblically clean.)

All camping is primitive camping with no prepared sights, no electricity, no water. Water is available on the property to haul to your camp site, and primitive facilities will be set up for restrooms.

Dress code for all events is for the sake of modesty. Men need to have long pants, no shorts. Sleeveless shirts are not allowed and no removal of shirts during events. Women need to have a modest neckline, loose pants, or long shirts/tunics to cover, dresses or skirts to knees or

below. Sleeveless shirts, sleeveless tanks, sleeveless dresses are not allowed. Head coverings are optional.

The grounds are largely unimproved, so be aware for your footwear needs.

NO tobacco products allowed on premises. NO illegal drugs allowed on premises. NO profanity while at events. NO biblically unclean food items. Attendance is considered consent to the code of conduct, and non-compliance is forfeiture of attendance.
