

Greetings! This year we will celebrate Sukkot in Okolona, MS 38860; address will be provided upon acceptance of registration. Registration is open to any like-minded believers who want to celebrate the Feast. There is no fee for attendance, but offerings are accepted. All meals will be provided and are biblically clean. If you have a special needs diet, you may wish to bring food or contact us ahead to see if arrangements can be made. No biblically unclean items allowed. No tobacco products or illegal drug use on property. There is no mask mandate nor vaccination requirement for attendance. Most there will not have been vaccinated. Thank you. Preregistration is Mandatory.

We will celebrate the feast according to the traditional Jewish Calendar. This is not an endorsement of this calendar, but a time of gathering together during the same time period as other brethren. We will celebrate Sukkot beginning at Sundown on Wednesday, October 16, 2024, and we will celebrate until the end of The Eighth Day at Sunset on Thursday, October 24, 2024. We will break camp after breakfast on Friday, October 25, 2024.

Registration is free, camping is free, all meals are free; donations greatly appreciated; all checks can be made to Choose Life Congregation. PREREGISTRATION IS MANDATORY so we can ensure adequate supplies for meals and classes. Attendance is not mandatory for all events. Please let us know what events you can attend or wish to be included, and what meals you will be eating with us. (Special diets or allergies may require you to bring your own items or food to meet such needs. All food will be biblically clean.)

All camping is primitive camping with no prepared sites, no electricity, no water, no RV hookups. Water is available on the property to haul to your camp site, and limited restrooms are available. There is a possibility of inside accommodations for those unable to camp, but this must be arranged with Gerald Crimm and is on an extremely limited basis.

Dress code for all events is for the sake of modesty. Men need to have long pants, no shorts. Sleeveless shirts are not allowed and no removal of shirts during events. Women need to have a modest neckline, dresses or skirts not shorter than knee length, pant with tunic or shirt covering to mid-thigh. Sleeveless shirts, sleeveless tanks, sleeveless dresses are not allowed

without accompanying undershirt or overshirt. Head coverings are optional. The grounds are largely unimproved, so be aware for your footwear needs.

NO tobacco products allowed on premises. NO illegal drugs allowed on premises. While alcohol is not prohibited, please be respectful of others' beliefs. (Romans 14:21-23) NO open containers when walking around campground. NO drunkenness tolerated! NO profanity while at events. NO biblically unclean food items. Attendance is considered consent to the code of conduct, and non-compliance is forfeiture of attendance and/or grounds for removal.

Registration also is an agreement to assume and hold harmless Choose Life Congregation and its officers, Paul Edwards, property owner, John and Abigail Crimm, residents on the land, and other attendees from any and all claims, directly or indirectly, resulting from participating in Sukkot at this site. The registrant fully understands the scope of this activity and voluntarily signs this release from all liability with this waiver and assumes all liability and responsibility for damages or harm to persons or property. Registration is considered contract of this waiver not to bring suit or claim.

REGISTRATION IS MANDATORY. For registration, please go online at [www.chooselifecongregation.org](http://www.chooselifecongregation.org) for online registration form by September 22, 2024. Please call or text Gerald Crimm @ 662-315-7375 or John Crimm @ 662-631-9164 for further information or questions.

The schedule is still being finalized and will be posted soon.
